

## Things Decidedly NEW!

### Black Slippers with Red Heels

are the newest conceit in Paris for evening wear, borrowed from Spain to give the final touch to the smart costume. And the red heels seem to carry with them much of the vivacity that characterizes both Spanish and French fashions. The model pictured is . . . **12.50**

### Guerlain's "Rue de la Paix" Perfume

is a most fascinating odor, hitherto obtainable only in high-priced bottles. These are "smaller editions" of the original containers, most moderately priced at . . . **4.68**

Street Floor.

### A Beflowered Wristlet

fastens on one's wrist like a watch, except that in place of the watch is a tiny purse covered with posies, and inside a tiny powder puff that will be found always available for service . . . **2.75**
